Form No. 30043

Ordinance No. 2010-23 Passed June 24, 2010.

ORDINANCE 2010-23 AN ORDINANCE TO REMOVE DEBRIS FROM BEHIND 77 N. JACKSON STREET, A DANGEROUS DWELLING AND DECLARING AN EMERGENCY.

This ordinance was adopted as an emergency measure at the council meeting of June 24, 2010. It was shortly discovered that the National Bank and Trust had gained clear title to the property on June 16, 2010. Mayor Carnahan confirmed with the bank representatives that they had arranged for the debris to be removed. The Law Director did not provide language for the Ordinance because it was not necessary and would be repealed at the next council meeting.
